

SUMMARY

Detail-oriented and aspiring Project Coordinator with a strong foundation in Information Technology and a keen interest in the Stock Market. My technical background has equipped me with robust problem-solving skills, attention to detail, and the ability to manage complex tasks efficiently. Passionate about streamlining processes and enhancing team collaboration, I am eager to leverage my technical expertise and domain knowledge to excel in project coordination. A blend of IT and stock market experience positions me well to contribute effectively to projects in the financial sector.
