WORK EXPERIENCE

Founder & CEO
Growceries - Aiqusec Retail & Wholesale

05/2021 - 06/2023   *Bangalore, India*

Founded and headed a retail chain startup that aggregates Mom & Pop stores. With a mission to help reduce the food insecurity in India.

Achievements/Tasks
- Established 30+ retails outlets, creating an outstanding supplychain system in D2B2C model in just a year and half.
- Growceries also marked the first failure in my career, having to sell the business due to capital crunch.

Co-founder & Director of Operations
Success Trading LLP - London, UK

07/2022 - Present   *London, United Kingdom*

Achievements/Tasks
- Expanded the successful startup to London, UK within a year of its' incorporation with an active AUM of $3M+.

Co-founder & Director of Operations
Success Trading - India

12/2019 - 12/2022   *Bangalore, India*

A revolutionary investment management firm started in India in the forex investment segments.

Achievements/Tasks
- Founded and successfully introduced the potential of forex investments- a segment very much unexplored by the Indian investors. The foundational success and concept of Success Trading gained me a popular status in the domain.

Sr. AI and ML Instructor
Hyderabad School of Artificial Intelligence

03/2018 - 06/2019   *Hyderabad, India*

HSAI is the first and leading institute of Artificial Intelligence and Machine Learning in Hyderabad.

Achievements/Tasks
- Started an early career as an instructor with reponsibilities of teaching and project training. The primary challenge was standing worthy of a trainer's position in a room full of more experienced corporate employees at a young age.
